Suresh Srivastava Courses-

C# : Learn C# Fundamentals and Programming In Simple Way

https://www.udemy.com/csharp-fundamentals-and-programming/?couponCode=DISCOUNT10

C# : Learn Object Oriented C# In Simple Way

https://www.udemy.com/object-oriented-csharp/?couponCode=DISCOUNT10

Advanced C# : Empower Yourself with Advanced C# Skills

https://www.udemy.com/advanced-object-oriented-csharp/?couponCode=DISCOUNT10

Advanced Python : Take Your Python Skills To The Next Level

https://www.udemy.com/advanced-python/?couponCode=DISCOUNT10

Linux Shell Scripting : Learn Shell Scripting, SED and AWK

https://www.udemy.com/linux-shell-scripting/?couponCode=DISCOUNT10

Learn GNU make and Makefile on Linux and Unix

https://www.udemy.com/gnu-make-make-utility-and-makefile/?couponCode=DISCOUNT10

Learn Object Oriented Java in Simple Way

https://www.udemy.com/object-oriented-java/?couponCode=DISCOUNT10

Advanced Java : Take Your Java Skills To The Next Level

https://www.udemy.com/advanced-object-oriented-java/?couponCode=DISCOUNT10

Advanced JavaScript : Take Your JS Skills To Next Level

https://www.udemy.com/advanced-javascript/?couponCode=DISCOUNT10

AntiPatterns : Learn Software Development AntiPatterns

https://www.udemy.com/software-development-antipatterns/?couponCode=DISCOUNT10

Learn Design Patterns Through C# In Simple Way

https://www.udemy.com/design-patterns-through-csharp/?couponCode=DISCOUNT10

Learn Design Patterns Through Python In Simple Way

https://www.udemy.com/design-patterns-through-python/?couponCode=DISCOUNT10

Learn Design Patterns Through Java In Simple Way

https://www.udemy.com/design-patterns-through-java/?couponCode=DISCOUNT10

Learn Design Patterns Through C++ In Simple Way

https://www.udemy.com/design-patterns-through-cpp/?couponCode=DISCOUNT10

Learn Design Patterns Through JavaScript In Simple Way

https://www.udemy.com/design-patterns-through-javascript/?couponCode=DISCOUNT10

Learn Design Patterns Through PHP In Simple Way

https://www.udemy.com/design-patterns-through-php/?couponCode=DISCOUNT10

Learn Design Patterns Through Ruby In Simple Way

https://www.udemy.com/design-patterns-through-ruby/?couponCode=DISCOUNT10

Learn Design Patterns Through Swift In Simple Way

https://www.udemy.com/design-patterns-through-swift/?couponCode=DISCOUNT10

Learn Design Patterns Through Objective-C In Simple Way

https://www.udemy.com/design-patterns-through-objective-c/?couponCode=DISCOUNT10

Deepali Srivastava Courses-

Linux Bootcamp : Learn Linux Commands, vi, GREP, SED and AWK

https://www.udemy.com/linux-commands/?couponCode=DISCOUNT10

Data Structures and Algorithms in Java

https://www.udemy.com/data-structures-and-algorithms-in-java/?couponCode=DISCOUNT10

Advanced Data Structures and Algorithms in Java

https://www.udemy.com/data-structures-and-algorithms-in-java-2/?couponCode=DISCOUNT10

Data Structures and Algorithms in C#

https://www.udemy.com/data-structures-and-algorithms-in-csharp/?couponCode=DISCOUNT10

Advanced Data Structures and Algorithms in C#

https://www.udemy.com/data-structures-and-algorithms-in-csharp-2/?couponCode=DISCOUNT10

Data Structures and Algorithms in C

https://www.udemy.com/data-structures-and-algorithms-in-c/?couponCode=DISCOUNT10
